Personal data we process

By using our services, Boerderij de Baat will process your personal data accordingly. Below you will find a review of personal data Boerderij de Baat processes:

- First name
- Surname
- Address data
- Telephone number
- Email address
- Bank account number

Purpose and reasons for processing personal data

Boerderij de Baat will process your personal data for the sake of one or more of the following reasons:

- To settle your payment
- To share information about our accommodation
- To call or e-mail when necessary to provide our services

Length of storing personal data

Boerderij de Baat stores personal data no longer than necessary to realise the service you are applying to. Personal data will be stored for thirty days after the ending our services with you. The invoices will be stored for seven years following the legal terms of the tax authorities.

Sharing personal data with third parties

Boerderij de Baat will not sell your personal data to third parties and will share personal data exclusively when this is necessary to execute the arrangement with you or to fulfil a legal obligation. Boerderij de Baat makes agreements with parties which will edit your data by order of our partnership, to maintain the same level of security and confidentiality of your data. Boerderij de Baat will keep responsibility for these edits.

Cookies and comparable techniques

Boerderij de Baat does not use cookies. Your IP-address will not be saved after you visit our website.

View, edit or delete data

You have the right to view, edit or delete your personal data. You have the right to withdraw your possible permission or object the processing of your personal data by Boerderij de Baat. You also have the right of data portability. This means that you can send a request to Boerderij de Baat after which our partnership will send your data to you or a third party named by you. You can send your request any of the above called requests to our email: info@boerderijdebaat.nl
